**URBAN
JUNGLE**

LET'S GET LOST IN URBAN JUNGLE.

Today's traffic situation is forcing cyclists to swap paved roads for alternative routes. Today's modern cyclist is an all-rounder.

He finds himself on different surfaces, from country roads and forest trails to cobblestones and busy bicycle lanes.

Meet Urban Jungle, our answer to the needs and wishes of the modern cyclist.

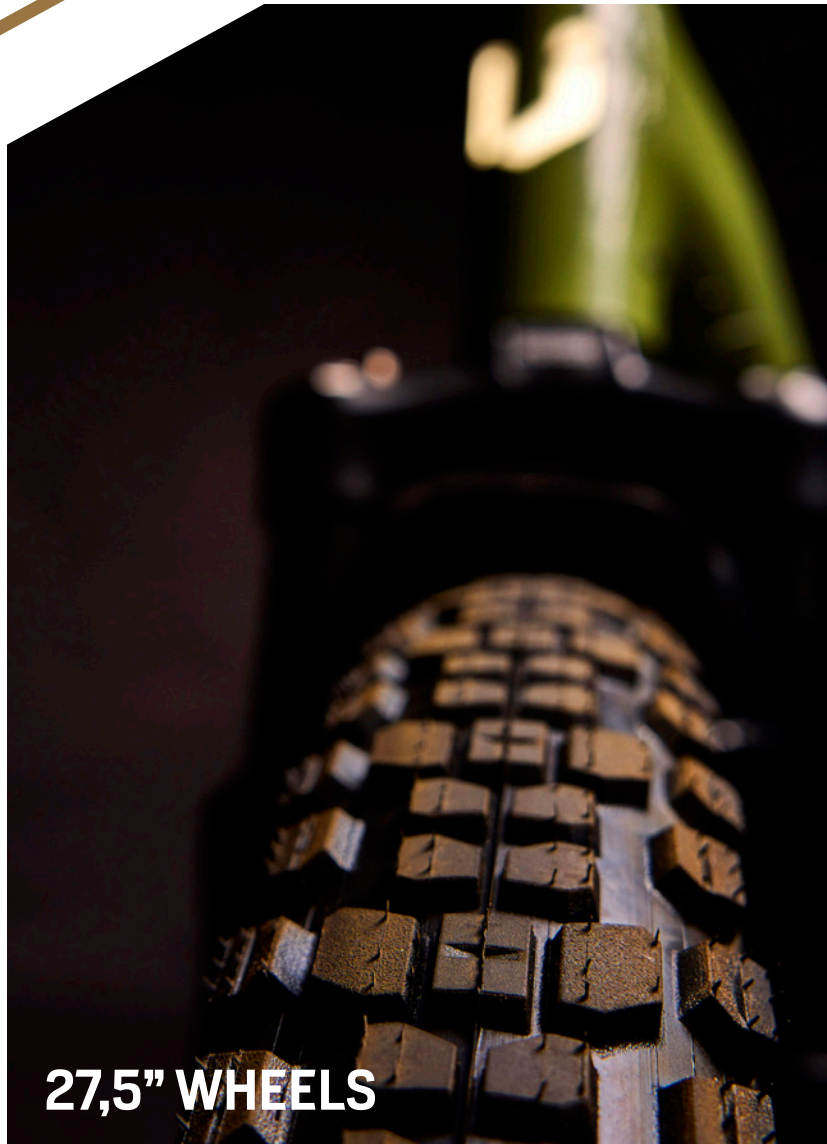

Urban Jungle is designed for the modern bike adventurer. It symbolises the challenges of city traffic and the joy of recreational cycling in green surroundings. So Urban Jungle invites you to escape the city in search of green oases and relaxation.

Urban Jungle is a brand of Ludo NV, a Belgian bicycle manufacturer with over 90 years of experience and deep roots in Belgian cycling culture.
